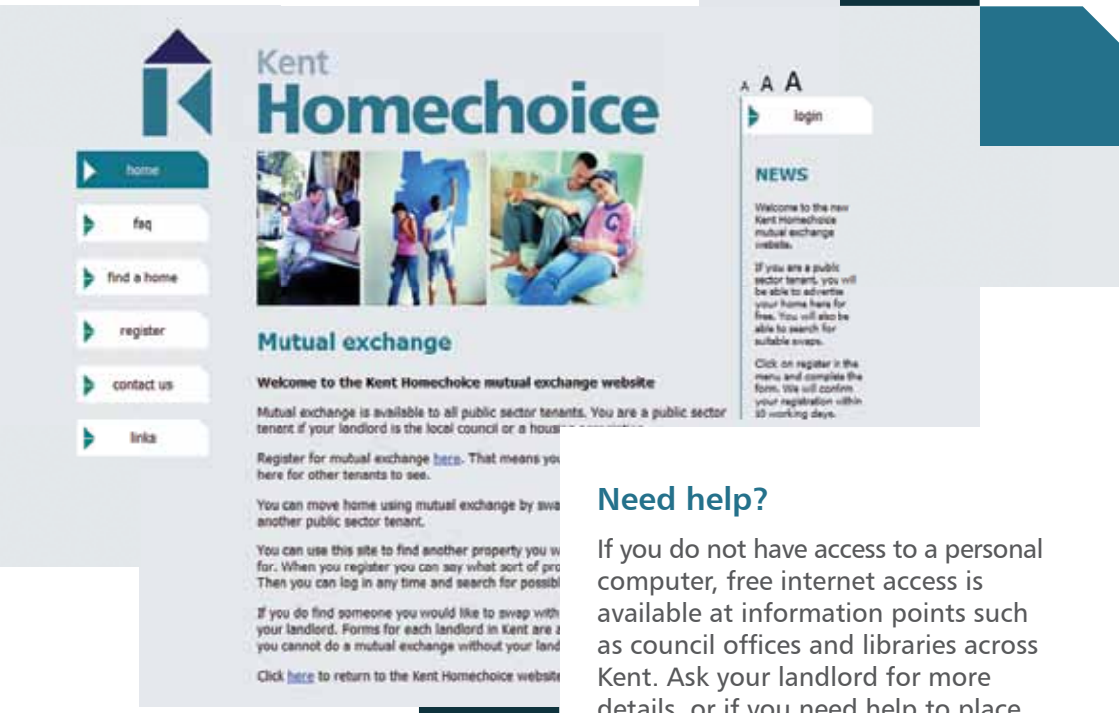
Kent Homechoice

Welcome to the new mutual exchange service for Kent

Kent Homechoice has launched a new free website for tenants who are looking to swap their homes.

Simply register your details at www.kenthomechoice.org.uk/mx and we will give you a unique reference number. On approval, your property will be advertised on the website and you will be able to search for homes in Kent and elsewhere.

Once you find someone you want to swap with, you can download application forms from the site and apply to your landlord. Remember, you will need permission from your landlord before you can exchange.



Need help?

If you do not have access to a personal computer, free internet access is available at information points such as council offices and libraries across Kent. Ask your landlord for more details, or if you need help to place your details online.
